

Metropolitan Services Credit Union

Winter Newsletter

January 2020

President

January is a great time to set some goals and if you are trying to achieve a financial goal...we are here to help. Whether it is a debt consolidation loan, a college savings plan, a new home, car or whatever—your credit union wants to be your first call.

We offer loans of all types, savings, certificates, checking, IRA's, debit cards, direct deposit and much more. Our loans are reviewed daily and we pride ourselves on our quick and personal service. We hope you will turn to this credit union whenever you have a financial need.

We have had lots of changes at the Credit Union in 2019. We hired Sarah Hult, our new Member Services Credit, Sarah's doing a great job and she adds an energetic vibe to the office. Kathy Flaherty officially retired in March after being the CEO for 40 years, see left some big shoes to fill and we miss her but we're glad she's enjoying her well-deserved retirement. We have also had some changes to our board, Sharon Kuehn resigned due to her move to Florida (we're extremely jealous!) and Matt Lasuita also resigned due to work conflicts. The board appointed Art Doherty and Roger Tatge to fill the remaining terms. They both fit in well and we're very lucky to have them!

In 2019 we will be focusing on increasing membership. We have seen our numbers dwindle with many retirements of the employees from the Met Council. We will continue to attend the Open Enrollment events in hopes to get the word out about the Credit Union. We also ask for your help in telling family and your coworkers about our credit union. We thank you for your continued support.

Crystal Rylicki

Thank You VOLUNTEERS

Board of Directors:

Wayne Andersen—Chairman
Dave Quast
Carole Crandall
